- D. Discussion of EO 1110 was postponed due to lack of time.
- E. The committee reviewed the revised proposal to convene a task force for EO 1100 Revised. C. Mayberry explained that the process recommendation to propose a task force is pending the Faculty Senate's reconsideration of the motion not to implement the executive order at the next Faculty Senate meeting. The committee was concerned about the compressed timeline and suggested providing two timelines – one driven by accelerated deadlines to implement in Fall 2018 as well as one with realistic deadlines for the task force to complete its charge. C. Mayberry will update the document with the two timelines and distribute it to the committee for review.
