- G. E. Adams informed the committee about campus implementation of EO 1084, as requested by the Nursing department chair, to grant students NCLEX credit. A copy of the memo was distributed.
- H. General Education
 1. E. Adams informed the committee that mathematics, formerly in area A, will be relabeled to B4 (quantitative reasoning) as part of the new GE plan (Plan E). The courses will remain in basic subjects.
 2. The committee reviewed a chart to help determine which types of General Education proposals can be considered by EPC due to the Faculty Senate vote on December 6, 2018 to continue not to participate in the implementation of EO 1100R. After discussion, the majority agreed to review the proposal types listed in the chart, as revised.
- I. Discussion of service learning course designations was postponed due to lack of time.
- J. B. Lasky explained that the CSUN Explorers program for students with intellectual and developmental disorders enroll through Open University on a credit/no credit basis. However, students enrolling in UNIV 100 cannot enroll for credit/no credit only. E. Adams said a separate version can be setup in the SOLAR Catalog as credit/no credit for CSUN Explorers only.

Meeting adjourned at 4:02 p.m.
