Some curriculum proposals will be moved onto a “consent calendar” on the agenda. The purpose of the consent calendar will be to expedite items deemed to be minor and non-controversial. The Chair of EPC will move items onto the consent calendar in consultation with the Executive Secretary of the Committee. All of these items will remain available for review by all EPC members and any EPC member may remove an item from the consent calendar at any time prior to or during the meeting at which the item is to be considered.
